Information for Tourists.

A passenger by the last Colonial steamer was met on the dock by a Milesiau American friend, who resides in Honolulu. As the pair waited to have the newcomer's gripsack scrawled over with chalk marks by the Customs Inspector at the gate the stranger remarked to his friend "Do you 'ave much rain 'ere?" RAINIER me boy, gallons of it, just come up to the Anchor Saloon where they keep it always, clear and cool. We'll just be in time for lunch too and that's the only place in town where they serve it up in proper style with a glass of RAINIER BEER to equilibrialize the solids— They went!

A large consignment of Prof. Henshaw's beautiful platinotypes were received by the Claudine today. The finest thing in the photographic line ever seen here.

Sterling, the painter, is prepared to quote prices on roof painting. He uses a composition of coal tar and cement. Cheapest and best roof preparation in Honolulu.

It gets dark early in the day at Christmas time. Lengthen the hours of daylight by procuring one of the large, handsome Brad-ley & Hubbard lamps at the Pacific Hardware Co.'s store.

To those who are not acquainted with the fact, we beg to say that we are selling handsomely framed pictures for \$3, \$4, and \$5, which a year or two ago would have commanded three times those prices. King Bros., Hotel street.\*

## Rambler, **\$75.00**

Trusting that you may be interested in cycling, we take the liberty of stating to you a few facts about our wheels:

We need not trouble you with needless description of the World Famed "RAMBLER" Bicycle, which by its easy running, appearance, strength and lasting qualities has won for the makers a name world renowned.

The "RAMBLERS" are equiped with the great G.&J. Detachable Tire, which since its introduction to Honolulu has proved, by the numbers in use, the most successful and necessary adjust-

ment to a bicycle. We take great pleasure in recomending to our friends the "RAMBLER" and trust that in furnishing one to any person they

will never have occasion to regret. Our terms are such that a bicycle is no longer a luxury but a necessity in actual saving of time and money. We would ask you to but call and get our figures.

### 1896 Rambler. **\$95.00**

As is customary nearing the close of each year, the makers in order to get ready for the ensuing year, offer the present 1896 wheels at reduced prices. We are now prepared to give our cus-tomers the benefit of these reductions as long as our stock holds out. For those wishing an up to date wheel of the highest grade, one which we can guarantee to the fullest extent, we would offer the "RAMBLER." As to improvements for the coming season we would say we anticipate none. Such changes which may be made will, as has been the past two years, be changes immaterial to the improvement of the wheel in general.

Kindly give this some thought or call your friends'attention to it and oblige.

Yours truly,

E. O. Hall & Son
